## Dawe's Plumbing & Heating

171 Conception Bay Highway  
Established 1969

Dawe's Plumbing & Heating has established an enduring presence at 171 Conception Bay Highway since the late 1960s. Founded by Kevin Dawe, the enterprise underwent a transition in 1988 when the business was acquired by Frank Walsh. Under the leadership of Walsh, Dawe's Plumbing & Heating not only continued to provide professional plumbing and heating services, but also expanded by establishing a showroom that offered electrical and plumbing supplies to CBS customers.

In 2013, Dawe's Plumbing & Heating passed into the capable hands of Darin Steeves and David Hurley, facilitated by the guidance of Mr. Walsh. "Sticking to our roots, we still service the residential homes of Conception Bay South, but we are happy to be growing and have the opportunity to work with residential and commercial customers across the region," explained Steeves.

Dawe's Plumbing & Heating is a proud member of Downtown CBS and Steeves has served as a Board Member since the Business Improvement Association's inception in 2015. Additionally, Steeves accepted the Building Excellence and Resident Growth (BERG) Award from the

Canadian Home Builders' Association NL Division four times, commemorating Dawe's significant contributions within the residential construction industry.

Embracing a sense of community responsibility, Dawe's Plumbing & Heating actively engages in various local projects. Notably, the company completed the plumbing work at the Town's Community Park splash pad, located just across the street from their established business location.

For over five decades, Dawe's Plumbing & Heating has shown a steadfast commitment to quality service, community engagement, and a forward-thinking approach, marking its place as a respected business within the region.
